Conduct Case and Transcript Release

To: Eric M Nestor

Bcc: [REDACTED]

Good afternoon,

As your University Conduct Board case has resulted in an indefinite suspension for a specified minimum time period, the Office of Student Rights and Responsibilities will submit paperwork to the Registrar's Office to have the "Administrative Withdrawal - University Initiated" notation placed on your academic transcript. This should happen this week. After the notation has been applied, our office will release the hold on your account, permitted you to request your transcript.

If the outcome of your appeal is favorable to you, resulting in either no disciplinary status or a status less than indefinite suspension, our office will submit paperwork to have the notation removed from your transcript. You may, after that time, request a new transcript without the withdrawal notation.
